I would like to sincerely thank Kim and Sean who went above and beyond our expectations. Prep and service were professional and overall outstanding. When problems arose on our end (not enough ice, not enough water) they were real problem solvers who deflected the stress from Michelle and me and maintained a high level of service. All I can say is they were really really great.

She was so warm and friendly and incredibly helpful. Every time I looked over to the bar she had a smile on her face. I really couldn't be more pleased with the bar service, both the day of and in the weeks leading up to the big event – I will be pleased to recommend Boston's Best to any friends and family planning events in the Boston area. I hope you and the rest of your team have a wonderful, safe holiday season :)

Hi Dianna,

While the wedding day was a bit whirlwind for me, afterward, many of our guests commented about how pleasant their encounters with Tina were. She took care of the bar in the busy times. While people were seated for dinner, she took her service to the tables. Once she had her space to set up and her ice, she took care of business from there. We didn't have to worry about a thing. It was nice.

Thanks a lot,

Sorry this email has taken so long to get to you, but I was away on our honeymoon and didn't check my emails. I just wanted to say how very impressed Lindsay and I were with Tom and Tina. They were unbelievable. Both acted extremely professional and were very personable and easy to talk with. Lindsay and I were impressed that both Tom and Tina came up to us and introduced themselves. They also made sure our drinks were not empty and would come up to us throughout the night to make sure everything was okay. Both Tom and Tina remembered everybody's names and were able to remember peoples drink orders. I was given several compliments from our guests about how good and attentive the bartenders were that night. Some guests even said they were the best wedding bartenders they had seen. We would highly recommend your company to friends and family seeking similar services. Again we could not be happier with both Tom and Tina. Thank you again and thank you guys for helping to make our wedding a success.

I think everything went off without a hitch, I didn't interact with the bartenders, someone always seems to bring me a drink, i never had to go get one myself, but i know my brother mentioned that after his third drink of the same kind every subsequent order the very nice bartender asked him "the usual" which he enjoyed. I don't know if that was Tom or Sean but i had no complaints or issues what so ever, everyone had a great time.

Dear Dianna~

As you know we recently used your bar tending service for our daughter's wedding which took place at our home. From my first encounter with you by phone until the final bottle of alcohol was packed up after our event, your service far exceeded my expectations.

When I called initially to find out what your service entailed I was really looking for an education on serving alcohol at an event of this type and size in our home. Your experience, advice and guidance helped tremendously as we made decisions about the day. Much of our concern regarding liability was erased in that first phone call. Having a list of vendors to contact for quotes on alcohol was also very helpful.

When the big day finally arrived, Tina and Kim were our assigned bartenders. They introduced themselves and as my husband and I showed them around and explained what our daughter and son-in-law had planned for cocktails etc. it became clear that the bar was not going to be one of our worries that day. They seemed efficient and personable.

And that might be the understatement for our day! Over the course of the reception at least 15-20 people came to me with the sole purpose of telling me how awesome our bartenders were. My husband, daughter and son-in-law were hearing similar comments from other guests. The general comments were that not only did Kim and Tina remember their drinks but also their names and little tidbits from the conversations they had had. By the end of the evening they felt like family! They also received high praise for the drinks they mixed but that seemed secondary to the personal connections they developed with each of our guests. When the bar closed for the evening all the remaining alcohol was packed up to be returned to the distributor and we didn't have to touch a thing - which was fabulous!

I would highly recommend your service to anyone for an event that they are planning and I would be happy to speak with anyone who needs a reference. There are often surprises with any wedding but I suspect it's not often the bartenders who are the hidden gems. Please convey our thanks to Tina and Kim and be assured that if we have a party that needs a bartender in the future we'll be calling you.

Sincerely,

Cathy Mandolese and the Mandolese-Louseddes families

Hi Dianna,

The service from Boston's Best Bartending was indeed outstanding. Tom was there for the rehearsal dinner on Saturday and it was a real pleasure working with him. Guests appreciated Tom's very helpful advice on drink selections, his efficient service, the placement and set-up of the bar. and the respect and kindness that he showed to young and old alike.

The queue at the bar was never more than a few people – an amazing fete considering that he was serving almost 75 guests. Kim joined Tom to provide bartending services for the wedding reception on Sunday and it was obvious from their excellent teamwork and their anticipation of every phase of the event that they had done this many times before. For example, when it was time for the champagne toast, I looked over and saw Kim filling the last of the champagne glasses. Whenever I walked up to the bar, Tom had my favorite wine selection already in his hand. It is wonderful to see true professionals at work!

The incredibly positive recommendations that I received from Cindy about you and your company were, if anything, understated. Thank you for the outstanding service and please extend my thanks and compliments again to both Tom and Kim. The weather, the venue, and the wonderful service from all the support staff gave Thomas, and Stephanie the wedding of their dreams. I will definitely be back in touch for any future bartending needs.

All the best,

David

Subj: Re: Wedding, August 27th

Hi Dianna,

Neal & I want to thank you for being so flexible and making things happen for our wedding. The bartenders at our wedding were great - guests were naturally thrilled at finding themselves with a drink in hand at 10:30 in the morning. We can't thank you enough for the last minute drastic schedule change - the servers we had were so professional that you would have thought the bars were supposed to be set up at that time all along.

If there is a site or form where we can provide a vendor rave to help with future bookings - we would be happy to do so.

Thank you again,

Logan

Hi Dianna:

I wanted to let you know that our experience with Tina, our bartender Saturday, could not have been better! She was wonderful. You guys really helped to make our day even more special. I truly appreciate it!

If I ever have the opportunity to use a bartender again or recommend one – it would be you all the way!

Thanks,

Sara

Subj: Thank you and a review!

Hi Dianna,

We wanted to thank you all for the wonderful job you did at our wedding. We have posted the following review at WeddingWire.

All the best,

Amara and Dave

Boston's Best Bartending (BBB) recently worked the bar at our wedding of about 150 people. The two bartenders did a flawless job and went above and beyond at several key points in the night and fixed some potentially big problems. The best thing--really, the only thing that matters with your wedding vendors--is that you can say "They took care of it and I didn't even know about the problem." And that's definitely true of BBB. There were 3 near disasters at our wedding involving alcohol, all which BBB took care of:

Potential Disaster 1 averted:

Stupid me thought it would be a good idea to use big styrofoam coolers until our actual ones arrived with the caterer to get our beer and wine chilling. So, after after a few hours of holding ice, beer, and wine, about 3 of the coolers just burst and flooded the bar area. If someone hadn't told me this happened, however, I never would have known: BBB cleaned everything up, repacked the booze in the proper coolers, and went on with the show.

Potential Disaster 2 averted:

If you grew up in the Boston area, you probably have one or more male friends who drink too much and turn into “that guy” at weddings: difficult to manage, a little inappropriate, doesn’t know when to quit. With my friend, I can personally attest to how difficult he can be to deal with. At one point, I strolled into the bar area to get a drink for myself and overheard BBB gently but firmly shutting him off. Please, BBB, let me know your secret, because he just walked off and didn’t say boo, which never happens. On top of that, the kindly bartender apologized to me for having to do that, to which I just say: not a problem.

Potential Disaster 3 averted:

Our wedding was in Harvard Square, so lots of people took cabs in. By the end of the night, when a big rush of people started leaving, it suddenly started to downpour. So bad that walking the 1/4 mile to the cab stand in high heels suddenly became impossible. BBB saw the confusion and started dialing the numbers of local cab companies to get people moving. BBB also did crowd control too, calming down our tired and confused guests.

And as I thanked BBB for going above and beyond, the bartender very kindly said “That’s just what we do,” and I thought that was a good summation of their attitude and performance.

Hire these people. You will not be disappointed. They will solve the problems you didn’t know you had!

Subj: RE: Follow up from June 18th Wedding, Tucks Point, Manchester Y.C.

Hi Dianna,

We were beyond satisfied with our two bartenders at the wedding. They were nothing short of spectacular. Every time I looked at the bar, the line was minimal and the bartenders were smiling and being warm and social with our guests. The transition from the chowder house to the Manchester Yacht Club was flawless (or...so it seemed). And the bar was up and running in no time!

Thank you again for everything. I will absolutely recommend your company to every one of my friends who are getting married or having a social function in the future!

Thank you!

Ashley

Hi Dianna,

The bartenders were great! They knew what they were doing, were friendly, and professional. I felt like I could relax and they would do their job without my oversight, an important quality when one has a lot to do!

Thanks, it was a pleasure working with you, too.

Subj: Re: Wedding, July 16th

Dear Dianna,

Thank you for calling to check up. Everything went very well during the 7/16 event at the House of 7 Gables in Salem, and we were pleased with Regis & Kim's service.

Haley's (the package store that supplied the drinks, based on your recommendations), provided us with excellent service as well, and you should be free to recommend them again.

Your estimate of total drinks to be consumed, by the way, turned out to be right on target.

The crowd was well-behaved, and House of 7 Gables complimented us on how well the operation was carried out. The only mishap is that someone lost an ear ring ... which I mention in the unlikely case either Kim or Regis might have heard of someone finding one.

Thank you again, it was a pleasure using Boston's Best Bartending Services.
