Subject: RE: Customer service follow up from October 29 and 30

Hi Dianna,

We loved working with Kim and Tina! They were incredibly friendly, professional and so helpful. I already asked them to come back! I didn't get a chance to work with Kim on the 29th, but my coworker had nothing but good things to say. I was the hostess for the event on the 30th, and it was such a breath of fresh air to see them dressed neatly, help set up, and most of all be fun and friendly with all the parents, non-parents and children.

Thank you,

Gina
