Dear Dianna,

Thank you so much for your continued efforts in supporting Woodman's and our clients ensuring a complete success for our events in 2014. We know we can count on your company to provide expert service and quality product.

In celebration of our 100<sup>th</sup> Anniversary we have created our Woodman's of Essex "Five Generations of Stories – 100 Years of Recipes" Cookbook which is liberally sprinkled with recipes, stories and local history. We are proud to offer this copy to you for your review as we begin introducing it to the world. Enjoy!

Sincerely,
