Subj: Thank You Boston's Best Bartending

We held a movie premier event in Boston for a large group of our clients and hired Boston's Best Bartending Service. The event was an absolute success and we could not have been more pleased with Boston's Best. We were lucky enough to have 5 of Boston's Best come and help with the event. They were very professional, prepared and most importantly, all around kind people. We hope to have more events in Boston in the future and wouldn't seek help from anyone else. Thank you very much for your time and assistance in helping us put on a great event.

Respectfully,

Jackson

Sorry for the delay Dianna. I can't thank you enough for all your help and guidance in making this event a true success.
