Thanks Dianna,

Tom was excellent. He got there early, set up quickly, was very personable, we chatted for a while – trying to solve the problems of the world, before the event began. Everything was handled well and he cleaned up quietly and efficiently while our meeting got started. When it was over and I went into the kitchen, everything he had left was neat and orderly.

Thanks so much for taking care of our bartending needs. It worked out quite smoothly. Since it was my first experience using a bartending service, I didn't know exactly what to expect. We will certainly use your service again when we need it and I'll be recommending you to anyone who asks!

Have a wonderful summer.

Helen
