Dear Dianna,

Thank you again for the important part you played in the *Savour* fund raiser. Each of the bartenders did an excellent job during the evening. We are very pleased to report that close to 250 people came out to Moraine Farm on a very warm, but beautiful evening to help raise over \$47,000 (after expenses) to support our mission.

Funds raised from *Savour* will be used to support scholarships, program development, and research for our various youth programs on the North Shore, in the greater Boston area, and in schools, summer camps and youth organizations throughout the country. These programs introduce the children and adolescents to new communication and leadership skills which engender a greater sense of confidence and well-being.

Your assistance with this event truly helps us make a difference in the lives of the children enrolled in our programs. We are grateful for your support in making the evening such a success.

Sincerely,

Scott Kennedy
Director of Development
